

EUROPEAN GROUND SQUIRREL (*SPERMOPHILUS CITELLUS* L.)

REFERENCES FROM BULGARIA

Originally collected by Yordan Koshev (20.12.2008)

Institute of Zoology, Bulgarian Academy of Science, 1 Tzar Osvoboditel Blvd., Sofia 1000, Bulgaria;

e-mail: bgsouslik@gmail.com; web address: <http://www.groundsquirrel.org>

The whole publication list will be published soon on: http://groundsquirrel.org/references_en.html

The common name of *Spermophilus citellus* in Bulgaria is “evropejski laluger” or “suek”.

1. Taxonomy, distribution, others

- Belcheva R., D. Peshev. 1979.** Intersubspecific sex chromosome differences in *Citellus citellus* L. (Rodentia, Sciuridae). – *Experimentia*, **35**: 595 - 596.
- Belcheva R., D. Peshev. 1985.** Constitutive Heterochromatin in the Ground Squirrel *Citellus citellus* L. (Sciuridae, Rodentia) from Bulgaria. – *Zool. Anz., Jena*, **215 (5/6)**: 385 - 390.
- Georgiev D. 2004.** Conservation status of the small mammals (Mammalia: Insectivora, Lagomorpha, Rodentia) in Sakar Mountain (South-eastern Bulgaria). – *Trav. Sci. Univ. Plovdiv, Animalia*, **40(6)**: 153-164.
- Koshev Y. (accepted).** Distribution and status of European Ground Squirrel (*Spermophilus citellus*) in Bulgaria. – *Lynx (Praha)*.
- Koshev Y., M. Kocheva. 2007.** Environmental factors and distribution of European ground squirrel (*Spermophilus citellus*) in Bulgaria. – *Journal "Ecology & Safety. International Scientific Publications"*, **1**: 276-287.
- Markov G. 1952.** The mammals in the forest shelter belts in Dobrudzha. [Bozajnitzite v polezashtitnite pojasi na Dobrudzha]. – *Nature (Sofia)*, **3**: 62-65. [In Bulgarian]
- Markov G. 1957.** Untersuchungen über die Systematik von *Citellus citellus* L. – *Izvestija Zool. Institut, Sofia*, **6**: 453-490. [In Bulgarian, German summary]
- Minkova T. 2004.** Small mammals (Insectivora & Rodentia) of the Eastern Rhodopes (Bulgaria). In: Beron P, Popov A, editors. Biodiversity of Bulgaria. 2. Biodiversity of Eastern Rhodopes (Bulgaria and Greece). Sofia: Pensoft & Nat. Mus. Natur. Hist. p. 895–906.
- Mitev D. 1968.** Studien über die taxonomie von *Citellus citellus* L. (Mammalia) in Sudbulgarien. – *Trav. Sc. Ec. Nor. Sup. "Paissi Hilendarski", Plovdiv*, **6 (2)**: 137 - 142. [In Bulgarian, German summary]
- Paspalev G., Tz. Peshev. 1957.** Beitrag zur Ökologie des *Citellus citellus* L. in Bulgarien. – *Bull. Padol. Inst. Bulgarischen Acad. Wiss.* **4**: 175-189 [In Bulgarian, German summary]
- Peshev D. 1987.** Cytological characterization of the European souslik (*Citellus citellus* L.) in Bulgaria. [Tzitologichna harakteristika na evropejskia laluger (*Citellus citellus* L.) v Balgaria]. – In: Proceeding from conference “Contemporary achievements of the Bulgarian zoology” . BAS, Sofia: 371 -375. [In Bulgarian]

- Peshev T., D. Peshev, V. Popov. 2004.** Fauna na Balgaria. No. 27. Mammalia. [The Fauna of Bulgaria. Vol. 27. Mammalia]. Sofia: Editio Academica „Marin Drinov“, 632 pp. [In Bulgarian, English summary].
- Peshev Z. 1955.** Investigations on systematics and biology of *Citellus citellus* L. in Bulgaria. – *Bulletin de l'Institut zoologique de l'Academie des sciences de Bulgarie*, 4-5, 277-325. [In Bulgarian, English summary]
- Spassov N., N. Ivanova, K. Georgiev, V. Ivanov. 2002.** Status of the Marbled polecat (*Vormela peregusna peregusna* Guldenstaedt) in Western and North-eastern Bulgaria and data on the status of its potential main prey and competitors. *Historia Naturalis Bulgarica*, **14**, 123-140.

2. Ecology and behavior

- Georgiev D., E. Raichev, K. Koleva. 2008.** Ground squirrel (*Spermophilus citellus*, Rodentia, Mammalia) in Kazanlak field conditions. – *Journal of Agricultural Science and Forest Science*, **7 (2)**: 63-66. [In Bulgarian, English summary]. Available on Internet: http://groundsquirrel.org/references_en.html
- Koleva K., D. Geourgiev. 2005.** Seasonal changes in the colony of *Spermophilus citellus* (Linnaeus, 1766) (Rodentia, Mammalia) in the vicinity of Dabovo (Stara Zagora region). In: Proceedings of Scientific Student Conference “Conservation of biodiversity and management of protected areas”, BBF and SU “St. Kliment Ohridski”, Sofia, Bulgaria, 114-124. Available on Internet: www.bbf.biodiversity.bg [In Bulgarian with English summary].
- Koshev Y., I. Pandourski. 2008.** Structure and variability of alarm calls of European ground squirrel (Mammalia, Rodentia: *Spermophilus citellus* L. 1766) from Western Bulgaria. – *Acta Zoologica Bulgarica*, **60 (1)**: 99-105.
- Koshev Y., M. Kocheva. 2008.** Daily activity pattern in free-living European ground squirrels *Spermophilus citellus* (Mammalia, Rodentia) from Northwestern Bulgaria. – *Acta Zoologica Bulgarica*, suppl. **2**: 149-154.
- Straka F. 1959.** Some special feature on feeding on souslik in Bulgaria. *Nature (Bulgaria)*. [In Bulgarian]
- Straka F. 1961.** Beitrag zur Bioökologie und Bekämpfung des Europäischen Ziesels (*Citellus citellus* L.) in Bulgarien. *Bulletin of the Central Scientific-Research Institute of Plant Protection*, **1**, 24-63. [In Bulgarian, German summary]
- Yotov S. 1993.** Spatial structure and behaviour of European ground squirrel (*Citellus citellus* L.). Master thesis. Sofia University “St. Kliment Ohridski”, Sofia, 48pp. [In Bulgarian]
- Yotov S. 1998.** A literature review of the Citellini tribe and field research on the population structure, behaviour and possibilities for re-introduction of the European souslik (*Spermophilus citellus* L., 1776). Student thesis. Central European University, Department of Environmental Science and Policy, Budapest, Hungary, 70pp.
- Zidarova S. 2003.** Some special feature in dispersion and biology of European ground squirrel, *Spermophilus citellus* L. (Mammalia, Rodentia) in Sofia district. Master thesis. Sofia University “St. Kliment Ohridski”, Sofia, 70pp. [In Bulgarian]

3. Conservation

- Koshev Y. 2009 – in press.** Distribution, isolation and recent status of European ground squirrel (*Spermophilus citellus* L.) in Pazardzhik district, Bulgaria. – *Annual of “Konstantin Preslavski” University, Shumen, Faculty of Natural Sciences*, **18 (B)**.
- Stafanov V. 2003.** Methodology for European ground squirrel monitoring – proposals. In: Boteva D. (ed.). Development and applying system of ecological monitoring in National Parks “Rila” and “Central Balkan”, 187- 216. [In Bulgarian] (unpublished).
- Stefanov V. 2006.** Conception for conservation of European ground squirrel’s (*Spermophilus citellus*) habitats in NATURA 2000. 42pp. Available on Internet: <http://www.greenbalkans.org> [In Bulgarian] (unpublished).

4. Physiology

- Dimitrova P. 1974.** The white blood picture in *Citellus citellus* L. and its cyclic change. – *Bull. de l’Institut de Zoologie et Musee*, **XL**, 153-166 [In Bulgarian with English summary]
- Dimitrova P. 1975.** Comparative blood morpho-physiological investigation between European souslik *Citellus citellus* L. and Red squirrel *Sciurus vulgaris* L. PhD Thesis (BAS). [In Bulgarian]
- Khadzhiolov A., R. Tsarvulkova-Denkova. 1977.** Histomorphology of the suslik ovary during postnatal development and hibernation. – *Arkh. Anat. Gistol. Embriol.*, **73 (10)**: 105-10. [In Russian].
- Rusev G., Stefanov S., Radev S., V. Penkov. 1968.** Humoral factors and metabolic processes influencing the radioresistance of the ground squirrel (*Citellus citellus*) in hibernation – *Annuaire de l’Universite de Sofia “St. Kliment Ohridski”*, *Biol.*, **63 (1)**: 251-66.
- Shivatcheva T., A. Khadzhiolov. 1987.** Seasonal involution of the lymphoid tissue of the spleen of European suslik (*Citellus citellus* L.). - *Arkh Anat Gistol Embriol.*, **92 (5)**: 48-53. [In Russian]
- Stefanov S. 1957.** On some seasonal morpho-hystological changes in the gonads of the European souslik (*Citellus citellus balcanicus* subsp. nov. Markov, 1956) around Sofia. – *Annuaire de l’Universite de Sofia “St. Kliment Ohridski”*, *Biol.* **69(1)**: 57 - 67. [In Bulgarian]
- Stefanov S., V. Penkov. 1979.** Electronmicroscopic observations of the chromatoid body in spermatids of mammals. *Annuaire de l’Universite de Sofia “St. Kliment Ohridski”*, *Biology (1975/1976)*, **69(1)**: 35-40. [In Bulgarian, English summary].
- Shivacheva T. 1990.** Hybernation and immune reactivity. *Publishing house of the Bulgarian Academy of Science, Sofia*, 176pp.
- Tsvetkov Ts., T Takeva. 1989.** Studies on the estrus cycle of the ground squirrel *Citellus citellus* L. at experimentally induced hibernation. – *Cryobiology*, **26(5)**: 508-511.
- Tsvetkov Ts., T Takeva. 1991.** Some seasonal changes in the thecal gland in the ovaries of hibernators *Citellus citellus* L. – *Cryobiology*, **28(5)**: 503-508.

5. Parasites and disease

- Golemansky V., Y. Koshev. 2007.** Coccidian parasites (Eucoccidia: Eimeriidae) of European ground squirrel (*Spermophilus citellus* L., 1766) (Rodentia: Sciuridae) from Bulgaria. – *Acta Zoologica Bulgarica*, **59 (1)**: 81-85.
- Nikolova S. 1993.** Experimental infection with *Yersinia Pseudotuberculosis* of Ground Squirrels (*Citellus citellus*). – *J.Vet.Med.*, **B.40**: 589-596.
- Stefanov V., Georgiev B., Genov T., N. Chipev. 2001.** New data on the species composition and distribution of heminth parasites of *Spermophilus citellus* L. (Rodentia, Sciuridae) in Bulgaria. In: *Program and abstracts of Sixth National Conference of Parasitology, 5-7.10.2001, Sofia, Bulgaria, Sofia-Moskva Pensoft Publishers*, 31.
- Touleshkov K. 1957a.** Anoplura on undomesticated mammals in Bulgaria. – *Izvestija na Zoologičeskija Institut pri Blgarskata Akad. Nauk*, Sofia **6 (5)**: 183-198.
- Touleshkov K. 1957b.** A new louse species *Cyclophthirus ferrisi* n. sp. (Anoplura) on *Citellus citellus* in Bulgaria. – *C.R. Acad. Sc. Bulg.*, **10**: 423-426.
- Touleshkov K. 1957c.** A new louse subspecies *Neohaematopinus laeviusculus bulgaricus* n.spp. (Anoplura) on *Citellus citellus* in Bulgaria. – *Dokl. Bolgar. Akad. Nauk.*, **10(5)**: 427-430.
- Vesselinova A., Markova N., Veljanov D., Nikolova S., H. Najdenski. 1992.** Cytometric and cytochemical study of peritoneal and alveolar macrophages from *Yersinia pseudotuberculosis* infected ground squirrels (*Citellus citellus*). – *Zentrabl Veterinarmed B.*, **39 (10)**: 755-610.

20.12.2008
